Honorable Minister,

TRANSPOSITION OF THE ECOWAS ICT SUPPLEMENTARY ACTS

With reference to your letter RL/MPT/JCS/M/PM-G/335/10 dated 20th May 2010 to the ECOWAS Commission, I wish to express our sincere gratitude for the immediate steps taken towards the transposition of the ECOWAS supplementary Acts on Telecommunication into the Liberia National Legislation.

Upon reviewing the text, I have the honour to inform you, Honorable Minister, that the Liberia Act is in compliance with the ECOWAS Supplementary Acts. The few additions made during the domestication are welcome since they are in conformity of the Acts.

In light of the above, it is with honour that we say that the Government of Liberia can proceed through its adoption process.

ECOWAS Commission has recognized your country's effort to promote integration of West Africa states through the Telecommunication program.

Please accept, Honorable Minister, the assurances of my highest consideration.
