

West Africa Telecommunications Regulators Assembly

Assemblée des Régulateurs de Télé communications de l'Afrique de l'Ouest

October 16, 2014

The Chairperson

Liberia Telecommunications Authority (LTA)
Monrovia, Liberia

MESSAGE OF COMPASSION FROM WATRA FOLLOWING THE OUTBREAK OF EBOLA VIRUS EPIDEMICS IN LIBERIA.

We are shocked by the terrible Ebola Virus Epidemics in Liberia.

We do not have enough strong words to express the grief that drives WATRA members particularly, the Executive Secretariat for the tragic experience in your country.

- The tragic advent of Ebola virus in Liberia is a sad moment not only for Liberia, but also for all members of WATRA.

Your country support through your institution for WATRA and the regional initiatives to harmonize regulatory framework for ICT penetration and quality service to consumers are valued in ECOWAS region.

It is with deep grief, we send message of sympathy to you and the Liberian people on this sad occasion.

May Liberia, with the courage and determination of its valiant people and the support of everyone come out victorious in the battle against the spread of this deadly virus.

Please accept, Mrs. the Chairperson, the assurances of our highest consideration.

Elh Maman Laminou
Executive Secretary.
