

REQUEST FOR EXPRESSION OF INTEREST: SERVICES FOR LTA WEB HOSTING

This request for Expressions of Interest is being published in widely circulated newspapers in Liberia, and on LTA and Executive Mansion website to attract suitable firms to host the LTA website.

Background

The Liberia Telecommunications Authority (LTA) is requesting the services of a firm to host the LTA Website including providing servers which will provide the domain service and means for translating names to addresses for hosts in the specified.

Scope of Work

The hosting of the LTA domain should meet the following key objectives:

1. That the hosting company maintains the existing LTA domain name – lta.gov.lr
2. That the hosting plan conforms to the RFC 2182 standard (host must provide at least two independent name servers which provide the domain service means for translating names to addresses for hosts in the specified domain. Establishing the servers in physically separate locations and on different Public Services Networks (PSN) and/or networks is required)
3. Host should describe the proposed solution for hosting in detail as required to meet the **rfc2182** standards
4. That the host must provide LTA's authorized staff full administrative rights to control and manage the domain and other services associated with the hosting plan
5. That the hosting plan should include email services, management panels, etc.
6. The system should provide metrics information on utilisation of domain resources

Duration, Deliverables and Administrative Arrangements

The Consultant is expected to mobilize and begin work within two weeks of contract signature. The work under this consultancy will be on a continuous basis.

Consultant Qualifications

The Consultant is expected to be a firm with demonstrated experience of at least two (2) years in hosting dynamic and interactive websites. The Consultant's experience and expertise is expected to be demonstrated through proven reference to active websites that were hosted by the Firm.

The Firm is expected to have expertise in web hosting and other web applications. The Consultant should possess proficiency in the use of Flash, Illustrator, Adobe Creative Suite and other such software applications and standards, as required. Expertise in Mobile adaptations would be an advantage. The Consultant is expected to have experience in conducting training /coaching / mentoring of client staff.

A Firm will be selected for providing services for the LTA in accordance with procedures set out in the Public Procurement Concessions Commission Act of Sept 2010 guidelines for Request for Proposals.

Deadline for Submission

Expressions of Interest with detailed information of Past Performance must be delivered to the address below (by hand or e-mail) **on or before February 28, 2015 at 1600 GMT**. Only short listed candidates will be contacted.
