TELECOMMUNICATIONS AUTHORITY

NOTICE OF PUBLIC CONSULTATION

September 28, 2026

The Liberia Telecommunications Authority (LTA) publishes this Notice in keeping with Part III Section 11(4) of the Telecommunications Act 2007 (the Act) and specifically in compliance with the Consultation Process Guidelines for LTA's Rules, Orders and Regulations, 2009.

Pursuant to Part III Section 11 (q), (t), and (w), Part VIII Section 41 and Part XIII Sections 66 and 67 of the Telecommunications Act 2007 (The Act), and in furtherance of its functions to:

1. Create a framework that ensures the deployment of Telecommunications Infrastructure that aligns with ITU Recommendations and international best practices;
2. Create a framework that improves cooperation among stakeholders and ensures the sharing of Telecommunications Infrastructure by Telecommunications Service Providers;
3. Eliminate unnecessary duplication of Telecommunications Infrastructure, and maximize the use of existing and future Telecommunications Infrastructure;
4. Mitigate the undesirable impacts on public health, safety and the environment resulting from the proliferation of Telecommunications Infrastructure installations;
5. Promote competition in the provision of Telecommunications Services, orderliness and effective planning in the provision of Telecommunications Infrastructure Services;
6. Promote investment and innovation in the provision of Telecommunications Services;
7. Reduce the cost of providing services and accelerate the speed of network deployment by leveraging pre-existing infrastructure; and
8. Incentivize investment in new network infrastructure to enhance service delivery.

By this Notice, the LTA launches a process of public consultation to seek the informed views of stakeholders, other interested parties and the public on the **Draft Regulations on Infrastructure Deployment, Sharing and Decommissioning** to be published **Monday, September 28, 2026**.
